## CHURCH LIFE

### SUNNYSIDE'S FIRST BABY OF 2012

Samantha Marie Patterson was born this morning at 7:34a.m. to Sean and Sairene Finney-Patterson. When she arrived, she weighed in at 8lbs 3oz and is 20½ inches long. Sairene went into labor yesterday afternoon but after the baby's heart rate escalated the doctor decided to do a C-section to prevent fetal distress. Mommy and baby are doing quite fine and proud grandparents, Mylinda and Arland, gave Samantha her first bath.

### FEBRUARY 11 — 25TH ANNIVERSARY— AN ALL DAY AFFAIR

In 1986, eight families chose to garner all their God-given gifts: children, talents, energies, finances, and friendship, to establish a new family unit. Now moving into its third generation, what was begun under a spiritual guidance has become our beloved Fresno Sunnyside Church congregation. With a 25th Anniversary Family Reunion planned the 2nd Sabbath of February in this new year, you will want to be sure all the "family members" are notified and invited to participate.

### HEALTHY BYTES *tidbit*

Garlic is a root vegetable many people know fairly well, but they may not realize all the astounding health benefits that it possesses. Garlic gets its sharp and pungent flavor from sulphur compounds, effective in lowering bad, or LDL, cholesterol. Garlic can also lower blood pressure and reduces the risk of stomach and colon cancer. Garlic is a powerful broad spectrum antibiotic due to the compound allicin, a volatile oil that has proven to eliminate many bacteria on contact.
