CHURCH LIFE

PASSING OF BUD SHIMMIN

Bud Shimmin passed on Wednesday afternoon. Unfortunately, he went into cardiac arrest and was unable to be revived. Those who knew and loved him witnessed his ongoing struggle with heart failure over the last year.

Bud is the husband of Harriet Shimmin and the father of Jody Liu and Gary Shimmin. Bud would have celebrated his 86th birthday on April 27 and would have celebrated 50 years of marriage with Harriet in July of this year.

The family has planned a memorial service for April 28 here at Sunnyside. Cards of condolence can be sent to Harriet Shimmin; however, the family has requested that donations be made to the Church Building Fund in lieu of flowers.

EASTER SERVICES

This weekend we will celebrate the death and resurrection of Jesus Christ and the price He paid for our salvation. Join us on Sabbath morning with a very special worship service filled with music, dramatic presentations and an inspired message. Sunday morning we will continue the celebration with worship and a wonderful breakfast at Fresno Adventist Academy. We will gather in the picnic and garden area behind the Mansion and enjoy warm cinnamon rolls, frittatas, tater tots and lots of fruit. Dennis will bless us with a homily followed by fellowship and an egg hunt for the kids. Don't forget your lawn chairs and blankets. Beautiful weather has been forecast. We encourage you to bring your family and friends to these services.

YOUTH PASTOR SEARCH UPDATE

The church board approved the job description as defined by the search committee and it is now being sent to all of the Adventist colleges and universities. The committee expects to start receiving resumes from applicants soon.

PRAYER REQUEST FOR MICHELLE (SHELLY) WARD-HUDLER

The Ward family has asked for special prayer for Shelly. The neurologist has indicated that she may need more surgery. Shelly is very concerned as her eye sight could be permanently affected.

HEALTHY BYTES

Are You Falling for These Food Label Lies? - Part 9

by SHAPE Magazine

9. If the label says "no nitrates..."

Nitrates, nitrites, and other artificial preservatives are definitely bad for you, increasing the risk of certain cancers by up to 50 percent. Unfortunately while consumers are getting wise to the evils of nitrates, they're still overlooking other problematic preservatives.

Avoid it: Check the labels, especially those of processed meats like lunch meats and sausages, for BHA, BHT, benzoates, sulfates, and sorbates, among others.

THE LAST WORD**He Loved and Died**

When He was being beaten and spat upon
When His flesh was being torn by the whip
When His back was scourged,
He saw me...and so He permitted them to do so.

When the crown was crushed into His head
When He tasted His own blood
When the thorns pierced His flesh,
He saw me...and so He killed them not.

When His cross was so heavy that He fell
When He carried wood on His torn flesh
When He wished simply to move no more,
He saw me...and so He got up and walked on.

When His hands were being pierced
When He hung from a cross
When His side was bleeding,
Then He said I love you...
and so He died.
